

## Career Development II

A continuation of Career Development I, this course further addresses career development theories, techniques, counseling, guidance, and education strategies. Students learn and become familiar with occupational and educational information sources and systems, effectiveness evaluation, and assessment tools and resources. Attention is paid both to the student's personal experience and to the implications for counseling others. Prerequisite: CNSS711.

Course Number: CNSS731

Unit: 1.0

Program: GRAD Somatic Counseling
